No.2 Autumn
15th September 2017

Dear Parents,

In my Collective Worship this week, I introduced our third Christian value - RESPECT. I then set each class a challenge to answer the question 'What does Respect mean?' and come to worship next week prepared to talk about, or present, their thoughts. If the secretive giggles, closed doors and the sounds of Aretha Franklin are anything to go by, I am in for a treat on Monday! Please do talk to your children about Respect and what this means to them.

We welcomed 25 new Year R children to school this week. We are so proud of how well they have settled and coped with their new surroundings. We look forward to having them full-time from next week

Have a good weekend.

Zoe Newton
Headteacher

Morning Routine /Health & Safety

Now that your children are all settled back in to school life, please allow your child to come in to school in the mornings independently. There should be no parents in school, unless an appointment has been made and all access should be gained via reception, NOT from the playground. All adults and children on the school premises need to be accounted for at all times for both safeguarding and health and safety. Many thanks.

Breakfast Club

We have recently been made aware that there is some demand for Breakfast Club to start earlier. We will therefore be starting Breakfast Club at **7.45am**, from Monday, on a trial basis. For those being dropped off before 8.00am there will be an **additional £1 charge per child**, (£4.00 with breakfast and £3.50 without).

New Telephone System

This morning we had a new telephone system installed which incorporates a new answering machine with a dedicated absence line for you to call if your child is unwell. We also no longer have a fax machine, but now have a second line for phone calls. The main school phone number remains unchanged: - **01264 772297** and the additional number is:- **01264 772992**. If you do experience any problems with the new system then please let us know.
