No.3 Summer

4<sup>h</sup> May 2018

Dear Parents,

Thank you to all parents who have helped out at the recent Boundary Wood working party days. The area is really taking shape. We are eagerly anticipating the grand opening so that the children can all enjoy your hard work.

Last year we reintroduced Class Worship for parents. The feedback was very positive so we are inviting you once again to come and see your child in their worship on the following dates:

- Wrens Class - Tuesday 17<sup>th</sup> July
- Robins Class - Tuesday 10<sup>th</sup> July
- Herons Class - Tuesday 3<sup>rd</sup> July
- Swans Class - Tuesday 26<sup>th</sup> June
- **Kestrels Class - Tuesday 22<sup>nd</sup> May**
- Eagles Class - Thursday 21<sup>st</sup> June
- Kingfishers - Tuesday 12<sup>th</sup> June Class

All class worships will take place in the Hall at 9.15am.

Have an enjoyable, sunny Bank Holiday weekend.

Zoe Newton

### WAITROSE COMMUNITY MATTERS GREEN TOKEN SCHEME

This month, if you are in Andover, please pop into

Waitrose and pick up some shopping and place a green token in our collection box. The more tokens we receive, the more money we will get at the end of the

month to put towards some new outdoor picnic tables. Thank you!

### SWANS CINEMA NIGHT

Swans Class are hosting a second cinema night as their class fund-raising activity and will be showing

Paddington 2. This will be held on **Wednesday 9<sup>th</sup> May** in their classroom. All children welcome from **3.30pm until 5.15pm** for **£1** which will include popcorn. Spaces are limited to 35 and going fast!

### BOUNDARY WOOD WORKING PARTY

A big "thank you" to Mrs Jacobs, Mr Turner and Mr Gerrett for all their hard work last weekend, digging holes and cementing in the furniture. We

hope to be able to open up the new look Boundary Wood very soon!

"Last Saturday the 3 Amigos started work finishing off the Boundary Wood project. The xylophone, story chair and tracing board were cemented in. With more help we could have finished cementing

the seats, but unfortunately, these had to be done on Monday afternoon. The woods now contain, stepping

stones, a balance beam, a blackboard, hanging bells and the aforementioned items. With the bluebells and cowslips coming out in bloom, it is looking really great. So there is just the odd thing to do before the children can play in the wood. The nature area

at the right end, will be managed during the summer

and will give the children access to another area. Thanks to Mrs Martin for supplying the log rounds, Mr Gerrett for his woodwork talents

and Mr Turner for his bell hanging and digging abilities.

Next, I am ideally looking for someone with a small rotivator for up to an hour's work on the wildflower bed along the border of the wood, or else someone to dig!"

By Mrs Jacobs

### GARDENING CLUB

The children saved and sorted the seeds from last year's pumpkins and Cosmos flowers. These are now available to buy from the office for a donation of 20p.

### RHS LEVEL 3 AWARD

We have achieved RGS School Gardening Level 3 by focusing on our wildlife projects. These have included building a bug hotel, a leaf pile, wildflower beds and a log pile.

The compost bins also featured as the children were able to say which bins their fruit waste goes in and what is produced as a result

and how it is used to feed our fruit and vegetables.

### THE BIRD BOX PROJECT 2018

We are delighted to say that our live streaming is now up and running (despite a few teething problems) and our blue tits have laid 9 eggs.

The live stream can be viewed by clicking on the school badge on the following website:
